CAN YOU DIG IT

Virtual Learning Program

- Online sessions - you choose the topic
- Tailor made for each group
- 45 minutes in duration

This online program allows classrooms, families or other groups to zoom with Sally, the founder of Found a Fossil to get all of your questions answered! You can choose from topics such as dinosaurs, megafauna, ancient Egypt, careers in STEM, museums, or more general palaeontology and archaeology topics.

Send in your topic choices and questions before the session, and Sally will create a tailor made program just for you! These programs are very flexible and can be split between presentations, trivia rounds, question time etc.

Each session goes for approximately 45 minutes. Prices below are per 45 minute session, with a maximum of 30 students/participants per session. Online meetings can be done through the platform of your choice.

CAN YOU DIG IT

In-Person Learning Program

NSW & ACT ONLY

- In-Person sessions for classes/schools/groups - you choose the topic
- Tailor made for each group
- 30 mins- 1 hour in duration (per class - you choose duration)

This program includes an in-person learning session, where Sally, the founder of Found a Fossil travels to your school/venue to present a fun and interactive program about a topic of your choice! You can choose from topics such as dinosaurs, megafauna, ancient Egypt, careers in STEM, museums, or more general palaeontology and archaeology topics. These sessions can also be designed to include syllabus topics.

Send in your topic choices and questions before the session, and Sally will create a tailor made program just for you! Programs content is very flexible and can be split between presentations, trivia, Q & As, etc. Session dates and timing will depend on travel availability for Sally.

Sessions can go between 30 minutes and 1 hour, with a maximum of 30 students/participants per session.
